Friday 15 November 2019

Dear Parents, Students and Community,

Last week the Board of Trustees appointed Liam Carroll and Rachel Eriksen as permanent staff of our school. Both Liam and Rachel have been in fixed term position filling in for Lee Rattray and Chris Bowen who were on leave. Liam and Rachel have been wonderful additions to our staff this year and we're thrilled to have them on board for the next few years.

Congratulations to our Red Sox Tee Ball team who won the Bronze medal in last week's City Schools Tee Ball Tournament. It was really pleasing to have a staff member from another primary school come up to me on the day to make special mention of the sportsmanship of both of our teams. We love how our kids play hard and fair. Thanks to Liam Carroll and June Malcolm for all the training and to all the parents who came along and supported the teams. It was also great to see two of our Teacher Trainees, Jessie Gosnell and Ciannait De Hoedt Norgrove, helping out on the day.

A friendly reminder about our 'Kiss and Go' area in the mornings. If you choose to park in this area at school drop off time, please refrain from coming into school with your child. It is fine to walk them to the gate to ensure their safety but we need an area where parents can literally pull up in their car, kiss their kids goodbye then go off to work. Thanks again for your cooperation with this.

Next Friday is our school Athletics Day. The kids have been out training this week. We'd love as many whanau to come along on the day as possible. It's been great seeing the kids giving everything a go when training. Hopefully the weather will be ok on the day.

Have a great weekend everyone.

Ka nui tēnā mō tēnei wā.

Drew Campbell - Principal

Why are times tables so important? Not many people know but by the time students hit NCEA there are algebra exams which do not allow the use of calculators. Therefore, by the end of primary school it is important for students to have instant recall of most of their times tables as they will need these at their finger-tips for secondary school.
